Leave Of Absence Policy for Thurlaston CE (Aided) Primary School

The governing body of

Thurlaston CE (Aided) Primary School

adopted this policy on

06.06.2018

It will be reviewed on

06.06.2021

1. Purpose

- 1.1 The Governing Body/Board of Trustees recognises the diverse workforce it employees which includes a high percentage of people with caring responsibilities, as well as those with other personal commitments, interests and beliefs and who, at some point within their working lives, may require leave of absence to deal with matters that fall outside of the Attendance Management Policy.
- 1.2 This policy sets out the school's approach for dealing with requests for leave of absence and employees entitlements to paid or unpaid leave. It does not form part of employees' terms and conditions of employment and therefore may be subject to change at the discretion of the Governing Body.
- 1.3 The Governing Body will, wherever possible, seek to achieve for its employees a balance between home and work/life and whilst every effort will be made to grant leave in line with this policy, it is recognised that due to the structured nature of the school timetable some requests for leave may not be approved. Any decisions on the granting of leave must be made in a fair and consistent way and also take into consideration the impact of the request on the delivery of teaching and learning within the school.
- 1.4 These leave arrangements have been discussed with the recognised Trade Unions and Professional Association.

2. The Law

- 2.1 Under the Employment Rights Act 1996, as amended, employees are entitled by Law to take reasonable unpaid time off work to deal with unexpected or sudden emergencies involving dependents and to make any longer term arrangements. This right to time off arises in circumstances such as death, sudden illness/hospitalisation, injury or assault of a dependent or the unexpected disruption of a dependents care arrangements.

- 2.2 Other types of leave requested by employees may include statutory leave which the school must adhere to, unless the necessary exemptions can be obtained by the employee and the school.
- 2.3 In the interests of equality, fairness and consistency the granting of leave of absence in this school will be made within the framework of this policy which adheres to specific legislation and relevant conditions of service. For teachers these can be found in the Conditions of Service for School Teachers in England and Wales (Burgundy Book) and for support staff in the National Joint Council (NJC) for Local Government Services (Green Book).

3. Leave of Absence Table

- 3.1 The table over the page reflects the schools position in relations to all aspects of leave. It has been produced to ensure that the school adopts a consistent approach to dealing with all requests for leave and in addition the decisions on pay.
