# Attendance Management Policy

Adopted on: DD-MM-YYYY.

**This policy applies to all staff including the Head Teacher.**

**For Maintained Schools: The Local Authority has the right to be represented at any hearings and this will normally be a member of the LTS HR team acting in an advisory capacity. The panel must consider any advice offered by the Local Authority when making their decision. The school must notify both the employee and the LA of their decision where any dismissal takes place.**

**This policy does not form part of employees' terms and conditions of employment and therefore may be subject to change at the discretion of the Trust/Governing Body.**

**For the purposes of this policy the Head Teacher will be referred to as 'Head Teacher' and school will be referred to as 'school'.**

## **1. Purpose**

---

- 1.1 The purpose of this policy is to provide a supportive framework to assist employees to improve and maintain the required level of attendance expected where a shortfall in attendance has been identified. Where a satisfactory level of attendance is not achieved this document outlines the process that will be followed to ensure that employees continue to be supported to make the necessary improvements before dismissal is considered.
- 1.2 The school recognises the importance of managing attendance in a fair and consistent manner.
- 1.3 All absences will be consistently reported, recorded, monitored and analysed on an ongoing basis across the school in order to identify problems, review individual cases and decide upon any appropriate action.

## **2. Application of the Policy**

---

- 2.1 The attendance of all staff will be managed by either the Head Teacher or another person in a management role/with management responsibility within the school.
- 2.2 If the Head Teacher's attendance is being managed in line with this policy, the Chair of Governors will be responsible for overseeing the application of this policy.
- 2.3 Where an employee makes satisfactory improvement in their attendance, they will be expected to maintain this improvement. Where the improvement is not sustained, the attendance process will recommence at the stage where the employee was being managed previously, e.g. an employee, who was advised at the Review meeting that they had achieved a satisfactory level of attendance, who subsequently goes off sick again within the following 12 months would return to the Review Meeting stage.

## **3. Employees Obligations**

---

- 3.1 Employees are expected to:

- Comply with the school’s sickness notification procedure (at Section 4.1),
- Maintain regular communication with the school: a mutually convenient time for contact between the school and employee will be agreed from the outset of the absence,
- Keep the school informed of any significant developments affecting their condition/situation,
- Attend medical appointments and ensure that medical advice is followed,
- Engage with the schools Occupational Health Service, where requested, to allow the school to consider any necessary support required to facilitate a return to work.

## 4. Reporting Sickness Absence

---

4.1 It is essential that employees follow the correct procedure for reporting absences:

**Teachers and Premises Officer must notify the Headteacher by telephone before 7am on the first day of absence. They should ring and speak to him on his mobile number. Support staff including lunchtime support and Office staff should phone school and speak to ideally the headteacher or another member of staff before the start of their working day.**

4.2 Once an employee has notified the school of their absence, arrangements to ensure regular contact is maintained between the employee and Manager should be put in place. **It is essential that arrangements regarding contact are made to ensure the employee is supported during their absence.**

4.3 Employees who are absent for:

- Less than 7 calendar days must complete a self-certification for their absence,
- 7 calendar days or more must provide a valid Fit Note from their GP/Consultant, or other relevant Health Care Professional (N.B From 1st July 2022 the following medical professionals, who have received the relevant training to do so, will be able to certify and issue fit notes to individuals who have been absent from work due to illness for more than 7 days:
  - registered nurses,
  - occupational therapists,
  - pharmacists, and
  - physiotherapists

Fit notes will only be issued following an assessment of an individual’s fitness for work and will not be issued on request or via over-the-counter services. This update will enable patients to see the most relevant healthcare professional and have better conversations about work and health.

These healthcare professionals should be treating an employee under NHS services.

For more information on fit notes please see: <https://www.gov.uk/government/publications/the-fit-note-a-guide-for-patients-and-employees/the-fit-note-guidance-for-patients-and-employees>

## **5. Employees with Additional Considerations**

---

- 5.1 Consideration will be given as to whether an employee's level of attendance is due to a physical or mental disability or is pregnancy related and if so what reasonable adjustments may be needed to assist the employee to reach the required level of attendance. If an underlying disability is suspected, an Occupational Health referral is usually required, and advice sought regarding reasonable adjustments. The Manager may seek further advice from the school's HR Adviser in such circumstances.
- 5.2 Absences relating to pregnancy will be kept separate from sickness absence records.

## **6. Return to Work Meetings**

---

- 6.1 Where possible, return to work meetings will take place on the employee's first day back to work, regardless of the length of the absence. In many cases the meeting may be as brief as a quick chat to ensure that the employee is fit to return to work, to welcome them back to work and update them on any school news/new developments in school.
- 6.2 If the employee's manager is absent at this time, responsibility for carrying out the return to work meeting will be passed to another manager.
- 6.3 The self-certification form/return to work form should be completed as soon as possible on an employee's return to work.
- 6.4 Where concerns regarding an employee's attendance continue, discussions should take place as to how the employee may be supported to reduce their level of absence.
- 6.5 As the return to work meeting is part of day to day management, the employee does not have the right to be accompanied.

## **7. Support Mechanisms**

---

- 7.1 At any appropriate time when attendance issues have been identified, it may be appropriate to explore some, or all, of the support options below with the employee (this list is not exhaustive):
  - a) Referral to Occupational Health to seek medical advice and opinion,
  - b) Therapeutic Return to Work to assist the employee to return to work on a planned and phased basis, usually following a medical recommendation,
  - c) Reduction in Hours on a temporary or permanent basis to assist the employee to return to work. Such arrangements must be mutually accommodated and agreed. The employee's contract of employment will then be changed accordingly,
  - d) Ill Health Retirement may be an option but in the first instance requires an Occupational Health referral.

## **8. Short and Long-Term Absence**

---

- 8.1 Frequent short-term absence may be attributable to minor ailments and in many cases are unconnected however exploration of whether they are linked to an underlying illness is important.
- 8.2 Long-term absence, usually identified as period of absence of 4 weeks or more, can normally be distinguished from short term absence in that it tends to be continuous and can usually be traced to an underlying medical condition.

## **9. Day to Day Management**

---

- 9.1 An effective absence management strategy requires consistent day to day line management and support of employees who are absent from work or whose attendance levels fall below the expectations of the school.
- 9.2 Where there are concerns regarding an employee's attendance, the manager will hold welfare meeting(s) with the individual to:
- Raise their concerns with the employee,
  - Agree a course of action and a reasonable period of review with the employee (suggest between 4 to 8 weeks),
  - Ensure regular contact is maintained with the employee to address any issues that arise and ensure that any agreed actions remain relevant and up to date,
  - Retain a record of all discussions held and support offered,
  - Advise the employee that failure to achieve the necessary levels in attendance by the end of the review period may lead to formal processes being adopted,
  - Encourage the employee to seek advice and guidance from their Trade Union Representative.
- 9.3 At the end of the review period the Manager will discuss with the employee whether the targets for improvement have been achieved. Where progress is made, no further action will be required, however, employees will be informed that failure to maintain the level of attendance may result in the employee being managed under the formal stages of this policy.
- 9.4 Where a satisfactory improvement in attendance is not achieved, it may be necessary to manage the employee under the formal stages of this policy, see section 12

## **10. Fast Track to Attendance Hearing – Long Term Absence**

---

- 10.1 There will be occasions where medical reports indicate that a return to work is not possible within a reasonable timescale or, an employee has a terminal illness. If this can be demonstrated, the formal procedures will commence at the Attendance Hearing stage.

  - b) If some progress has been made and it is considered that targets for improvement are achievable within a short timeframe, it may be appropriate to extend the review period. For most cases, it will be appropriate to extend the review period just once after which a further Review meeting will take place to review the employee's progress,

### **14. Attendance Hearing**
