Dear Parent/Carer,

I trust that you found the parents evenings informative. Thank you to all those who managed to stick to time as that helped the evenings run smoothly.

The children in Year R and Year 6 had their heights and weights taken by the NHS. School will not have access to this information. You should receive a letter directly telling you about their measurements and what that means.

I have been informed today that work on installing shelters on the front playground should start on Monday. I am sorry for the delay in this but there were problems with the original supplier.

During half term we have some work on the school building scheduled again. Classes 2 and 3 are due to be painted; some trees in the grounds will be pruned and LED lighting will be installed in Class 1.

Reminders

Gems Hub will be starting after half term. They are running open evenings next week on Monday 13th and Wednesday 15th from 3pm until 5:30pm. If you will be regularly using them or may just need them in an emergency you must complete a registration form. If you have any questions please come along to the open evenings and get the answers.

Yours sincerely

Gavin Beetham

Dear Parent/Carer,

I trust that you found the parents evenings informative. Thank you to all those who managed to stick to time as that helped the evenings run smoothly.

The children in Year R and Year 6 had their heights and weights taken by the NHS. School will not have access to this information. You should receive a letter directly telling you about their measurements and what that means.

I have been informed today that work on installing shelters on the front playground should start on Monday. I am sorry for the delay in this but there were problems with the original supplier.

During half term we have some work on the school building scheduled again. Classes 2 and 3 are due to be painted; some trees in the grounds will be pruned and LED lighting will be installed in Class 1.

Reminders

Gems Hub will be starting after half term. They are running open evenings next week on Monday 13th and Wednesday 15th from 3pm until 5:30pm. If you will be regularly using them or may just need them in an emergency you must complete a registration form. If you have any questions please come along to the open evenings and get the answers.

Yours sincerely

Gavin Beetham

Dear Parent/Carer,

I trust that you found the parents evenings informative. Thank you to all those who managed to stick to time as that helped the evenings run smoothly.

The children in Year R and Year 6 had their heights and weights taken by the NHS. School will not have access to this information. You should receive a letter directly telling you about their measurements and what that means.

I have been informed today that work on installing shelters on the front playground should start on Monday. I am sorry for the delay in this but there were problems with the original supplier.

During half term we have some work on the school building scheduled again. Classes 2 and 3 are due to be painted; some trees in the grounds will be pruned and LED lighting will be installed in Class 1.

Reminders

Gems Hub will be starting after half term. They are running open evenings next week on Monday 13th and Wednesday 15th from 3pm until 5:30pm. If you will be regularly using them or may just need them in an emergency you must complete a registration form. If you have any questions please come along to the open evenings and get the answers.

Yours sincerely

Gavin Beetham

Dear Parent/Carer,

I trust that you found the parents evenings informative. Thank you to all those who managed to stick to time as that helped the evenings run smoothly.

The children in Year R and Year 6 had their heights and weights taken by the NHS. School will not have access to this information. You should receive a letter directly telling you about their measurements and what that means.

I have been informed today that work on installing shelters on the front playground should start on Monday. I am sorry for the delay in this but there were problems with the original supplier.

During half term we have some work on the school building scheduled again. Classes 2 and 3 are due to be painted; some trees in the grounds will be pruned and LED lighting will be installed in Class 1.

Reminders

Gems Hub will be starting after half term. They are running open evenings next week on Monday 13th and Wednesday 15th from 3pm until 5:30pm. If you will be regularly using them or may just need them in an emergency you must complete a registration form. If you have any questions please come along to the open evenings and get the answers.

Yours sincerely

Gavin Beetham

The children in Year R and Year 6 had their heights and weights taken by the NHS. School will not have access to this information. You should receive a letter directly telling you about their measurements and what that means.

I have been informed today that work on installing shelters on the front playground should start on Monday. I am sorry for the delay in this but there were problems with the original supplier.

During half term we have some work on the school building scheduled again. Classes 2 and 3 are due to be painted; some trees in the grounds will be pruned and LED lighting will be installed in Class 1.

Reminders

Gems Hub will be starting after half term. They are running open evenings next week on Monday 13th and Wednesday 15th from 3pm until 5:30pm. If you will be regularly using them or may just need them in an emergency you must complete a registration form. If you have any questions please come along to the open evenings and get the answers.

Yours sincerely

Dear Parent/Carer,

I trust that you found the parents evenings informative. Thank you to all those who managed to stick to time as that helped the evenings run smoothly.

The children in Year R and Year 6 had their heights and weights taken by the NHS. School will not have access to this information. You should receive a letter directly telling you about their measurements and what that means.

I have been informed today that work on installing shelters on the front playground should start on Monday. I am sorry for the delay in this but there were problems with the original supplier.

During half term we have some work on the school building scheduled again. Classes 2 and 3 are due to be painted; some trees in the grounds will be pruned and LED lighting will be installed in Class 1.

Reminders

Gems Hub will be starting after half term. They are running open evenings next week on Monday 13th and Wednesday 15th from 3pm until 5:30pm. If you will be regularly using them or may just need them in an emergency you must complete a registration form. If you have any questions please come along to the open evenings and get the answers.

Yours sincerely

Gavin Beetham

Dear Parent/Carer,

I trust that you found the parents evenings informative. Thank you to all those who managed to stick to time as that helped the evenings run smoothly.

The children in Year R and Year 6 had their heights and weights taken by the NHS. School will not have access to this information. You should receive a letter directly telling you about their measurements and what that means.

I have been informed today that work on installing shelters on the front playground should start on Monday. I am sorry for the delay in this but there were problems with the original supplier.

During half term we have some work on the school building scheduled again. Classes 2 and 3 are due to be painted; some trees in the grounds will be pruned and LED lighting will be installed in Class 1.
