12th January 2024

Dear Parent/Carer,

Welcome back. Christmas and New Year already seem a dim and distant memory.

We said good bye to Mrs Wyner today. We will miss her greatly and wish her and her husband every happiness for the future. Mrs Henfrey started back with us and it is great to see her back. We are working hard to get the right replacement for Mrs Wyner.

We have a student teacher starting with us next week. They will predominantly be working in class 2. Her name is Ms Paulina Piatkowska.

We have been informed by school food services about a change of menu for next week. Sausage and Chips will be served on Thursday.

You have received letters regarding the clubs starting back next week. Please return the reply slips as soon as possible. Please ensure prompt collection at 4:25pm.

The children in class 3 have started swimming. They were changed very quickly both before and after the swimming which is great. This means they can make the most of their lessons. Please check your child's swim hat is thoroughly dry and perhaps apply talcum powder to stop it sticking together when it comes home.

Parents of children who are due to start next autumn must apply to Leicestershire County Council for a place by 15th January 2024. If you know of people in this position please ensure they apply.

We have booked Bikeability - cycling proficiency training for Year 6 for 18th and 19th March 2024. A separate letter with full details has been sent. The children will need a roadworthy bicycle. This can be left at school over night if that is helpful. Please complete and return as soon as possible. If you do not want your child to take part or they are not able to please let me know in writing.

You will have heard in the news before Christmas about draft guidance regarding Gender Questioning Children. The government is consulting on this through the following link and you may wish to express your views on it. This guidance is likely to be in place whilst your child progresses through the education system and may affect how your child experiences their education in later years. Please consider whether you wish to respond with your views.

Dear Parent/Carer,

Welcome back. Christmas and New Year already seem a dim and distant memory.

We said good bye to Mrs Wyner today. We will miss her greatly and wish her and her husband every happiness for the future. Mrs Henfrey started back with us and it is great to see her back. We are working hard to get the right replacement for Mrs Wyner.

We have a student teacher starting with us next week. They will predominantly be working in class 2. Her name is Ms Paulina Piatkowska.

We have been informed by school food services about a change of menu for next week. Sausage and Chips will be served on Thursday.

You have received letters regarding the clubs starting back next week. Please return the reply slips as soon as possible. Please ensure prompt collection at 4:25pm.

The children in class 3 have started swimming. They were changed very quickly both before and after the swimming which is great. This means they can make the most of their lessons. Please check your child's swim hat is thoroughly dry and perhaps apply talcum powder to stop it sticking together when it comes home.

Parents of children who are due to start next autumn must apply to Leicestershire County Council for a place by 15th January 2024. If you know of people in this position please ensure they apply.

We have booked Bikeability - cycling proficiency training for Year 6 for 18th and 19th March 2024. A separate letter with full details has been sent. The children will need a roadworthy bicycle. This can be left at school over night if that is helpful. Please complete and return as soon as possible. If you do not want your child to take part or they are not able to please let me know in writing.

You will have heard in the news before Christmas about draft guidance regarding Gender Questioning Children. The government is consulting on this through the following link and you may wish to express your views on it. This guidance is likely to be in place whilst your child progresses through the education system and may affect how your child experiences their education in later years. Please consider whether you wish to respond with your views.

Dear Parent/Carer,

Welcome back. Christmas and New Year already seem a dim and distant memory.

We said good bye to Mrs Wyner today. We will miss her greatly and wish her and her husband every happiness for the future. Mrs Henfrey started back with us and it is great to see her back. We are working hard to get the right replacement for Mrs Wyner.

We have a student teacher starting with us next week. They will predominantly be working in class 2. Her name is Ms Paulina Piatkowska.

We have been informed by school food services about a change of menu for next week. Sausage and Chips will be served on Thursday.

You have received letters regarding the clubs starting back next week. Please return the reply slips as soon as possible. Please ensure prompt collection at 4:25pm.

The children in class 3 have started swimming. They were changed very quickly both before and after the swimming which is great. This means they can make the most of their lessons. Please check your child's swim hat is thoroughly dry and perhaps apply talcum powder to stop it sticking together when it comes home.

Parents of children who are due to start next autumn must apply to Leicestershire County Council for a place by 15th January 2024. If you know of people in this position please ensure they apply.

We have booked Bikeability - cycling proficiency training for Year 6 for 18th and 19th March 2024. A separate letter with full details has been sent. The children will need a roadworthy bicycle. This can be left at school over night if that is helpful. Please complete and return as soon as possible. If you do not want your child to take part or they are not able to please let me know in writing.

If you do not want your child to take part or they are not able to please let me know in writing.

12th January 2024

Dear Parent/Carer,

Welcome back. Christmas and New Year already seem a dim and distant memory.

We said good bye to Mrs Wyner today. We will miss her greatly and wish her and her husband every happiness for the future. Mrs Henfrey started back with us and it is great to see her back. We are working hard to get the right replacement for Mrs Wyner.

We have a student teacher starting with us next week. They will predominantly be working in class 2. Her name is Ms Paulina Piatkowska.

We have been informed by school food services about a change of menu for next week. Sausage and Chips will be served on Thursday.

You have received letters regarding the clubs starting back next week. Please return the reply slips as soon as possible. Please ensure prompt collection at 4:25pm.

The children in class 3 have started swimming. They were changed very quickly both before and after the swimming which is great. This means they can make the most of their lessons. Please check your child's swim hat is thoroughly dry and perhaps apply talcum powder to stop it sticking together when it comes home.

Parents of children who are due to start next autumn must apply to Leicestershire County Council for a place by 15th January 2024. If you know of people in this position please ensure they apply.

We have booked Bikeability - cycling proficiency training for Year 6 for 18th and 19th March 2024. A separate letter with full details has been sent. The children will need a roadworthy bicycle. This can be left at school over night if that is helpful. Please complete and return as soon as possible. If you do not want your child to take part or they are not able to please let me know in writing.

You will have heard in the news before Christmas about draft guidance regarding Gender Questioning Children. The government is consulting on this through the following link and you may wish to express your views on it. This guidance is likely to be in place whilst your child progresses through the education system and may affect how your child experiences their education in later years. Please consider whether you wish to respond with your views.

Dear Parent/Carer,

Welcome back. Christmas and New Year already seem a dim and distant memory.

We said good bye to Mrs Wyner today. We will miss her greatly and wish her and her husband every happiness for the future. Mrs Henfrey started back with us and it is great to see her back. We are working hard to get the right replacement for Mrs Wyner.

We have a student teacher starting with us next week. They will predominantly be working in class 2. Her name is Ms Paulina Piatkowska.

We have been informed by school food services about a change of menu for next week. Sausage and Chips will be served on Thursday.

You have received letters regarding the clubs starting back next week. Please return the reply slips as soon as possible. Please ensure prompt collection at 4:25pm.

The children in class 3 have started swimming. They were changed very quickly both before and after the swimming which is great. This means they can make the most of their lessons. Please check your child's swim hat is thoroughly dry and perhaps apply talcum powder to stop it sticking together when it comes home.

Parents of children who are due to start next autumn must apply to Leicestershire County Council for a place by 15th January 2024. If you know of people in this position please ensure they apply.

We have booked Bikeability - cycling proficiency training for Year 6 for 18th and 19th March 2024. A separate letter with full details has been sent. The children will need a roadworthy bicycle. This can be left at school over night if that is helpful. Please complete and return as soon as possible. If you do not want your child to take part or they are not able to please let me know in writing.

You will have heard in the news before Christmas about draft guidance regarding Gender Questioning Children. The government is consulting on this through the following link and you may wish to express your views on it. This guidance is likely to be in place whilst your child progresses through the education system and may affect how your child experiences their education in later years. Please consider whether you wish to respond with your views.

Dear Parent/Carer,

Welcome back. Christmas and New Year already seem a dim and distant memory.

We said good bye to Mrs Wyner today. We will miss her greatly and wish her and her husband every happiness for the future. Mrs Henfrey started back with us and it is great to see her back. We are working hard to get the right replacement for Mrs Wyner.

We have a student teacher starting with us next week. They will predominantly be working in class 2. Her name is Ms Paulina Piatkowska.

We have been informed by school food services about a change of menu for next week. Sausage and Chips will be served on Thursday.

You have received letters regarding the clubs starting back next week. Please return the reply slips as soon as possible. Please ensure prompt collection at 4:25pm.

The children in class 3 have started swimming. They were changed very quickly both before and after the swimming which is great. This means they can make the most of their lessons. Please check your child's swim hat is thoroughly dry and perhaps apply talcum powder to stop it sticking together when it comes home.

Parents of children who are due to start next autumn must apply to Leicestershire County Council for a place by 15th January 2024. If you know of people in this position please ensure they apply.

We have booked Bikeability - cycling proficiency training for Year 6 for 18th and 19th March 2024. A separate letter with full details has been sent. The children will need a roadworthy bicycle. This can be left at school over night if that is helpful. Please complete and return as soon as possible. If you do not want your child to take part or they are not able to please let me know in writing.

If you do not want your child to take part or they are not able to please let me know in writing.

12th January 2024

Dear Parent/Carer,

Welcome back. Christmas and New Year already seem a dim and distant memory.

We said good bye to Mrs Wyner today. We will miss her greatly and wish her and her husband every happiness for the future. Mrs Henfrey started back with us and it is great to see her back. We are working hard to get the right replacement for Mrs Wyner.

We have a student teacher starting with us next week. They will predominantly be working in class 2. Her name is Ms Paulina Piatkowska.

We have been informed by school food services about a change of menu for next week. Sausage and Chips will be served on Thursday.

You have received letters regarding the clubs starting back next week. Please return the reply slips as soon as possible. Please ensure prompt collection at 4:25pm.

The children in class 3 have started swimming. They were changed very quickly both before and after the swimming which is great. This means they can make the most of their lessons. Please check your child's swim hat is thoroughly dry and perhaps apply talcum powder to stop it sticking together when it comes home.

Parents of children who are due to start next autumn must apply to Leicestershire County Council for a place by 15th January 2024. If you know of people in this position please ensure they apply.

We have booked Bikeability - cycling proficiency training for Year 6 for 18th and 19th March 2024. A separate letter with full details has been sent. The children will need a roadworthy bicycle. This can be left at school over night if that is helpful. Please complete and return as soon as possible. If you do not want your child to take part or they are not able to please let me know in writing.

You will have heard in the news before Christmas about draft guidance regarding Gender Questioning Children. The government is consulting on this through the following link and you may wish to express your views on it. This guidance is likely to be in place whilst your child progresses through the education system and may affect how your child experiences their education in later years. Please consider whether you wish to respond with your views.

12th January 2024

Dear Parent/Carer,

Welcome back. Christmas and New Year already seem a dim and distant memory.

We said good bye to Mrs Wyner today. We will miss her greatly and wish her and her husband every happiness for the future. Mrs Henfrey started back with us and it is great to see her back. We are working hard to get the right replacement for Mrs Wyner.

We have a student teacher starting with us next week. They will predominantly be working in class 2. Her name is Ms Paulina Piatkowska.

We have been informed by school food services about a change of menu for next week. Sausage and Chips will be served on Thursday.

You have received letters regarding the clubs starting back next week. Please return the reply slips as soon as possible. Please ensure prompt collection at 4:25pm.

The children in class 3 have started swimming. They were changed very quickly both before and after the swimming which is great. This means they can make the most of their lessons. Please check your child's swim hat is thoroughly dry and perhaps apply talcum powder to stop it sticking together when it comes home.

Parents of children who are due to start next autumn must apply to Leicestershire County Council for a place by 15th January 2024. If you know of people in this position please ensure they apply.

We have booked Bikeability - cycling proficiency training for Year 6 for 18th and 19th March 2024. A separate letter with full details has been sent. The children will need a roadworthy bicycle. This can be left at school over night if that is helpful. Please complete and return as soon as possible. If you do not want your child to take part or they are not able to please let me know in writing.

You will have heard in the news before Christmas about draft guidance regarding Gender Questioning Children. The government is consulting on this through the following link and you may wish to express your views on it. This guidance is likely to be in place whilst your child progresses through the education system and may affect how your child experiences their education in later years. Please consider whether you wish to respond with your views.
