MR DAVIES' UPDATE

It was great to hear about light lunches starting this week - while I wasn't able to go along, I've heard about what a credit the children were while taking part in this valuable community project.

Please can I ask that all earrings worn by children are plain studs, as per our uniform policy and for obvious health and safety reasons.

Once again, I can't emphasise enough how impressed I've been with the children's start to the year - they've all shown great behaviour both in and out of the classroom and their work is looking fantastic!

GOLD AWARDS

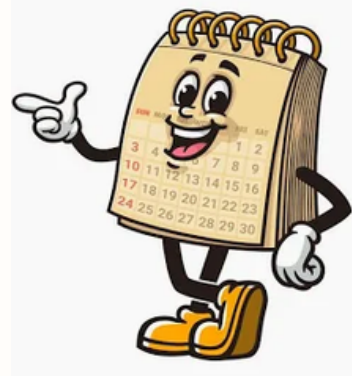

Well done to all our gold award winners this week for all your fantastic behaviour and work!
