

THURLASTON CE PRIMARY SCHOOL NEWSLETTER

MR DAVIES' UPDATE

It has been a long, but very productive week as we welcomed you in for parents' evenings this week and classes 1 and 2 enjoyed their trip to the cinema on Wednesday - they seemed to really enjoy the film and their lovely behaviour was commented on by a member of the public.

Similarly, we received a lovely card from a lady who goes to the light lunches served by class 4 saying what a credit they are to the school, themselves and you.

We know how lovely your children are, but it's always nice to have this confirmed by people not involved in the school!

As you probably know, our Christmas shoebox appeal is underway. Derek came and gave an assembly on this on Tuesday and I'm sure you'll help to support this worthy cause to improve some people's Christmas.
