Data and Photographs

Under the new General Data Protection Regulations we need to ensure we have proper permissions for the data, including photographs and videos, that the school holds.

Please refer to our Privacy Notices and Data Protection Policy for further details.

Photographs and videos will be used for school purposes to enable assessment and for display within school. Photographs and videos may be archived to keep a record of events for historical purposes in the school archive.

Please tick which other purposes you are happy for your child's photograph or video to be used. Your child's photograph will never be accompanied by their name. (Separate permission would be sought should there be a wish to publish a child's photograph and their name e.g. if they won a local or national competition.)

- Use on social media accounts managed by the school such as Facebook and Twitter
- Use on the school website
- Use in printed material produced by the school such as brochures and the prospectus
- Whole school or class photographs
- Use in the press such as local papers or circulars
- Photographs of groups of children and their work sent home in school exercise books
(Pupils in group photographs will be in more than one child's book.)

You may change your permissions at any time by contacting the school in writing and resubmitting this form with your new choices.
