12th February 2021

Dear Parent/Carer,

Well done to everyone for surviving until half term. We all need a well-deserved break.

School will break for half term for everyone at the end of school today. No work will be set during this time.

As previously during the holiday, school needs to be contactable for test and trace purposes. We will continue to use the email covid@thurlaston.leics.sch.uk. Please email the school on this address if your child has been in school and subsequently develops symptoms during the next 48 hours and then tests positive. School will then need to contact all pupils and staff in that bubble to isolate. The email will be checked at least once a day.

The present schooling arrangements will restart again on Monday 22nd February and continue until at least 8th March. I understand an announcement will be made on 22nd February. As soon as I have any further information I will be in contact. In the meantime please remember we are required to ensure you have access to high quality remote learning and we must meet certain criteria. Every family situation is different and you may or may not be able to complete all the work with your child. Please remember it is their work so they, particularly if they are older, should be able to do at least some of it without your support. Please complete the work you can and try to maintain a balance.

Have good rest and keep safe.

Yours sincerely,

Gavin Beetham
